NEW TO CRUISING?

Top 5 Reasons You Should Get On Board

1. It's all included in one low price

Fabulous accommodations. An array of world-class dining options. Supervised kids' programs. Broadway- or Vegas-style entertainment. Exciting nightlife. Need we go on?

2. There's something for every type of traveler

Banish the words "I'm bored" from your family vacation vocabulary with onboard water parks, comedy shows and teens-only dance parties. If you're seeking a romantic retreat, think of a cruise as your state-of-the-art love boat, complete with lavish staterooms, luxurious spas and intimate specialty restaurants. Enjoy staying active? You'll find deluxe fitness facilities and classes like kickboxing and yoga. Of course, if you prefer to spend your getaways relaxing poolside, we've got you covered, too.

3. Visit multiple destinations & only unpack once

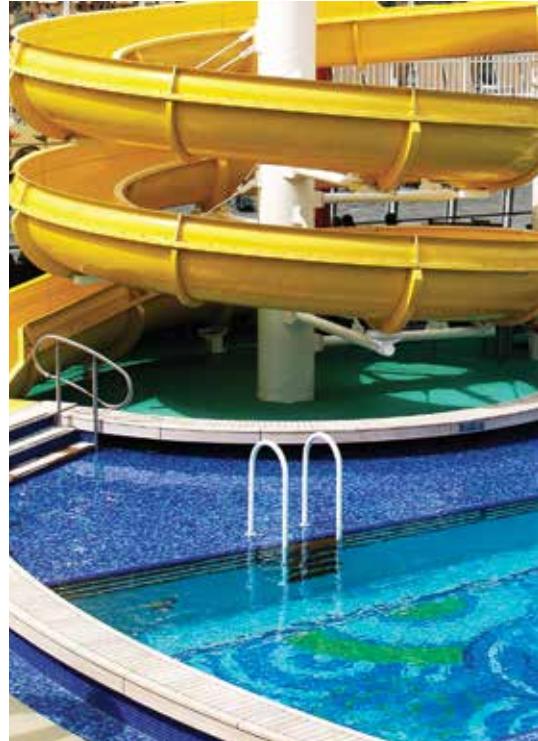

Picture yourself island-hopping in the Caribbean, gliding past glacier vistas in Alaska and exploring classic European cities like Rome, Athens and Barcelona. Now picture yourself seeing it all without the hassle of finding a hotel in each city, catching a flight or getting lost in a rental car. It's all possible — and surprisingly affordable — on a cruise vacation.

4. Sail from a port close to home

With 20 cruise ports across the country, your dream sailing could be just a short flight or a quick drive away. Imagine all the time and money you'll save by skipping airport security lines or long road trips. Plus, unlike other forms of transportation, the journey is half the fun on a cruise vacation.

5. BJ's Members cruise with exclusive extras

When you book your sailing with BJ's Travel, you can score exclusive reduced rates, up to a \$200 BJ's Gift Card, \$50 onboard spending for BJ's Rewards® Members and tons more bonus offers you won't find anywhere else.

What's on Your BUCKET List?

See Multiple Must-See Destinations in a Single Cruise — & Set Sail with Exclusive Savings

CARIBBEAN ISLAND HOPPING

On these cruise escapes, you'll wake up to a new exotic island each day. Visit ancient ruins in Cozumel on a Western Caribbean cruise, experience stunning St. Martin and St. Thomas on an Eastern Caribbean cruise, or explore St. Croix, Grenada and Aruba on a Southern Caribbean sailing.

R&R IN BERMUDA

Pristine pink-sand beaches and azure waters are closer than you think. Incredible snorkeling in King's Wharf and the charming pastel buildings of Hamilton are just a short sailing away from the ports of New York; Boston; Bayonne, New Jersey; and Baltimore.

SUNBATHING IN THE BAHAMAS

Think private island getaways are only reserved for celebrities? Think again. On a trip to the Bahamas, you'll parasail over Nassau, snorkel in Grand Bahama Island and soak up some sun on private cruise ship paradises like CocoCay or Castaway Cay.

TAKING A EURO-TRIP

No backpacking necessary — on a cruise through Europe, your resort tours with you. These incredible sailings let you sample classic cities like Naples, Marseille, Rome and Barcelona in just one vacation. So whether you sail through the picturesque Greek Isles or discover the romance of Venice, you can do it all without the hassle of catching trains or unpacking your suitcase at every stop.

EXPLORING ALASKA

From exhilarating dog sled races to glacial waterfall hikes, the adventures are endless in Alaska. Round-trip sailings from Seattle or Vancouver make it easy to explore America's Last Frontier, while northbound or southbound cruises from Alaska allow you to experience even more scenic locales that are otherwise inaccessible. You can also customize your escape with a cruisetour, a land and sea vacation that lets you spend several days exploring the beautiful Alaskan wilderness before or after your sailing.
